NORTHWEST RURAL HEALTH CONFERENCE

February 27 - March 1, 2017

Pre-Conference Intensive Workshops
Monday, February 27

DoubleTree by Hilton
SeaTac Airport

Registration opens October 3, 2016. Updates coming soon!

- In 2017 the conference will take place on the west side of the state ~ starting a new tradition of rotating east to west annually. We will be back to the east side in 2018.
- We understand this disrupts a long-held tradition ~ we hope this rotation enables our rural health systems on the west side to more easily attend the conference.
- Sound Transit light rail is steps away and easy to use ~ visit Seattle after the sessions to dine or sightsee.
